**Also attending: Patrick Beggs (DHS), Josh Cole (DOAV), Norm Hill (DMV), Michael Leking (DHS), Aaron Mathes (GOV), Sam Nixon (VITA), Michael Watson (VITA)**

### **Cyber Resilience Review – Michael Watson, VITA**

Patrick Beggs and Michael Leking from National Cyber Security Division of the Department of Homeland Security were guest speakers. Patrick gave an overview of Cyber Security Evaluations that his team performs for Federal and State agencies. Michael gave a synopsis of the Cyber Resilience Review (CRR) which was set into action by the Senate Appropriations Committee. The CRR is an assessment to measure and enhance implementation of key cyber security capabilities within an organization. The primary goal of the CRR is to evaluate how CIKR organizations manage cyber security of significant information services and assets. A secondary goal is to identify opportunities for improvement in cyber security management and reduce operational risks related to cyber security.

### **Encryption Committee Report – Michael McDaniel, VRS**

Committee has not met in awhile. They are writing guidelines and hope to submit 2 guidelines to the IS Council next month. Michael will send drafts of the guidelines to members prior to August meeting.

### **Risk Management Committee Report – Ed Miller, DOA**

Committee held a meeting to demo a tool that would serve as an augmentation to Risk Management. John Green stated he holding a meeting with Carsten Schmidt (IREC) and all committee members are invited.

**Making IT Security an Executive Management Priority Committee Report – John Green, VITA**

Committee will hold meetings again beginning in August. John would like to see work done on the Leadership Communiqué to begin with.

**Webaps Committee – John Willinger, DBHDS**

Committee will have 2010 Goals and Deliverables drafted and available by the August or September meeting. They are working on recommended guidelines and best practices. John asked Council members to prompt their Developers to join the Committee or email with any tips they have to offer. Shirley offered to forward John the general guidelines she has on Web App Scanning.
